## HFDC/ Iona Prep Annual Toy Drive

The Hawthorne Foundation Development Corporation (HFDC) and the Iona Preparatory School (IPS) are thrilled to once again team up for the annual Holiday Toy Drive for children and adults across our programs. For this event, the HFDC and IPS provide over 300 gifts and wrap them with special care.

The community service partnership has helped children and adults with disabilities across all our programs receive holiday presents and makes the holiday a little brighter.

Everyone at the agency is grateful for Iona's continued help and dedication throughout the years. We thank all others, such as Daryl Bleich, who contributed as a volunteer before his passing, those who still contribute in his honor, and all others involved through monetary contributions to help us grow this toy drive every year. We also give special thanks to Knollwood Deli in White Plains, NY, Rocky's Deli in Millwood, NY, and Amendola's Pizzeria & Restaurant in Monroe, NY, for assisting with monetary contributions.
